MORE THAN A BANDAGE – GYTTE

GYTTE’s Community and Health Program is commonly known as “More Than A Bandage”. This program is designed to address the health issues and needs of the rural communities in Mexico. It empowers people to prevent serious disease by changing the conditions that cause it, and it promotes treatment of illnesses in their earliest stages in local communities. Women from local communities take three one-week courses over an eighteen-month period. They experience and learn about a variety of topics related to health issues. They then apply their knowledge in their local communities on a volunteer basis. The three health courses presented at the Give Ye Them To Eat (GYTTE) Tree of Life Training Center are Basic, Intermediate, and Advanced. The participants also receive teaching materials to take back to their communities and an extensive first-aid kit.

The cost of each course per person is \$350.00 for a total of \$1,050.00 for all three courses. After the first course, they are empowered to teach what they have learned in their local community. A new course is starting this month, March 20 – 26, with plans to accommodate 23 women at this Basic session. Each year, graduates of the GYTTE courses touch the lives of thousands of their neighbors through teaching classes, providing first aid, giving injections, providing blood pressure checks, conducting diabetes monitoring, and more.

YOUTH GROUP: March has been breezing by. The Youth Group collected over 1200 cans for the Can-struction Project they completed on Sunday, March 13th. It took almost 12 hours and three days to complete the structure, and we had lots of fun doing it. The CanStructure will be on display in the Fellowship Hall for a few weeks until we can pack it up and deliver it. The Apotheotics Study concluded with a great discussion on living a holistic Christian life (mind, body, and spirit). Thank you, Matt, for a wonderful study! The group will end March with some fun endeavors such as a Goodwill Party and a regular youth group day. Thank you to everyone who donated to the Can Drive. We appreciated everything and as you see the project turned out amazing!!!

SPRING YARD SALE! April 29th and 30th. It's time to get ready. We're looking for volunteers to organize, price, and take in donations at your convenience. Contact Judy at missjudy18@gmail.com to donate or volunteer.
