Mission Message - The Special Offering for the month of August will go to the Abukloi School. We were very blessed to have Mr. Maker, the founder, with us in worship in June.

“Abukloi Secondary School opened in 2014, with 35 students and 4 teachers, in Rumbek, South Sudan provides a nationally renowned education and small-business training curriculum. Today, we have over 550 students, almost 30% of whom are girls, and 22 teachers, most from South Sudan. Our facility provides agriculture, sewing, internet, health, and conflict resolution programs along side the basic subjects. These subjects teach real life skills and provide income and much needed services to the community. Since 2018 we have celebrated five graduating classes. Each year the students test in the 90% on their National tests. The students at Abukloi Secondary School have a Vision: To Build Human Communities of Love, Honesty, Justice and Harmony and to change students into responsible, compassionate, free citizens concerned about the welfare of others. Our greatest partner is YOU, our donors, your investment in Abukloi is the foundation of our school. It gives us the confidence to reach out for new relationships as we plan for the future. Each gift directly impacts the wellbeing of our students and staff and creates an environment that empowers everyone. Thank you for your generous support.”
